Portfolio: portfolio-tau-lilac-98.vercel.app

PROFESSIONAL SUMMARY

Full-Stack Developer and BSc IT graduate with hands-on experience building and deploying web applications using the MERN stack. Skilled in REST APIs, third-party API integrations, real-time Socket.io services, payment gateways, authentication, database management, and responsive user interfaces. Seeking an opportunity to contribute to real-world projects, learn from experienced professionals, and grow as a software developer while delivering reliable and maintainable solutions.

PROJECTS

ReWear – Pre-Loved Fashion Marketplace | Stack: MERN, Socket.io, Groq, Gemini, Razorpay, Cloudinary, GitHub Actions

Live: rewear-dusky.vercel.app

- Engineered fault-tolerant **hybrid AI integration** — Groq (LLaMA 3.1) for text (**14,400 req/day** capacity) + Google Gemini for vision-based resale price estimation — with **3-key rotation** and **2-model fallback chain** per provider for production-grade quota resilience.
- Built production-grade **real-time MERN + Socket.io** marketplace with **RBAC across 2 roles** (Admin, User), bidirectional chat, and Cloudinary media uploads via `upload_stream` pipeline.
- Architected **in-chat price negotiation engine** (offer/counter-offer/decline, 2-round limit) persisted across **5 message types** using atomic MongoDB operations — eliminating inconsistent transaction states.
- Integrated **Razorpay with HMAC signature verification** guarding **2 checkout flows** against race conditions; deployed via GitHub Actions CI + Vercel/Render CD — **zero hard-refresh failures** in production.
- Secured Socket.io connections via **JWT handshake middleware**; enforced **5-status listing lifecycle** (pending → approved → rejected → sold → inactive) with admin moderation layer.

Job Portal – Full-Stack MERN Application | Stack: MERN, JWT, Cloudinary, Multer, GitHub Actions

Live: jobportal-frontend-ten.vercel.app

- Architected scalable MERN Job Portal with **RBAC across 2 roles** (Recruiter, Job Seeker) — **15+ RESTful APIs** on MVC architecture with **JWT authentication** and fully protected routes.
- Built dynamic job filtering across multiple parameters with complete application lifecycle management, clean separation of concerns, and REST best practices throughout.
- Integrated **Cloudinary** for cloud-based resume storage with Multer validation; delivered performance-optimized React frontend with code-splitting, lazy loading, and fully responsive UI.
- Tested and validated **15+ APIs** using Postman across both user roles; configured **GitHub Actions** deployment workflows ensuring production stability through environment-based configuration.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, Python, HTML5, CSS3, Java

Frameworks & Libraries: React.js (v18), Node.js, Express.js, Socket.io, Tailwind CSS, Axios, Multer, Mongoose ODM

AI & APIs: Google Gemini API, Groq API (LLaMA 3.1), multi-turn conversational AI, REST API design, Postman (API testing & documentation)

Databases: MongoDB (atomic operations, aggregation pipelines, indexing), SQL

Cloud & DevOps: AWS, Docker, Vercel, Render, Netlify, Cloudinary, CI/CD (GitHub Actions)

Payments & Security: Razorpay, HMAC Signature Verification, JWT, Bcrypt, RBAC, Cybersecurity Fundamentals

Methodologies: Agile, Scrum, MVC Architecture, code reviews, SDLC

Key Concepts: Real-time applications (WebSockets), race condition prevention, code splitting (Lazy Load + Suspense), SPA routing, state modeling

CERTIFICATIONS

J.P. Morgan – Software Engineering Job Simulation

AWS – Solutions Architecture Job Simulation

Docker – Containerization & Deployment

Deloitte Australia – Data Analytics Job Simulation

Walmart USA – Advanced Software Engineering Job Simulation DataCom – Cybersecurity Fundamentals

Certificates: drive.google.com/file/d/1FH-uXXmyMslLWGyvCgmUwxa9H5IkJSTr/view

EDUCATION

Bachelor of Science in Information Technology (BSc IT) — L.S. Raheja College, University of Mumbai | 2023 – 2026 | CGPA: 8.33

Diploma in Pharmacy (D.Pharm) — Board of Examining Authority (BEA), Karnataka | 2023

Higher Secondary Certificate (HSC) — Durga Devi Saraf Junior College | 2020
